The Melton Hospital and Metropolitan Activity Centre

The Metropolitan Activity Centre, situated on Bridge Road, stands out as a key feature of Cobblebank.

Its prominence is further enhanced by the ongoing construction of the New Melton Hospital, which has garnered significant attention from the local community.

Residents are particularly keen to witness the daily progress of this major healthcare development, recognising its future importance for the area.

Once completed, Melton Hospital will become the principal healthcare facility for Melbourne's north western region.

The hospital will offer a comprehensive range of services, including a 24-hour emergency department, intensive care unit, maternity and neonatal care, mental health services, radiology, and ambulatory care. With at least 274 beds, the facility will be equipped to provide quality care to a large population.

The Melton Hospital is projected to treat up to 130,000 patients annually and accommodate nearly 60,000 visits to its emergency department each year, underscoring its capacity and significance for the region.

KOLORER SECONDARY COLLEGE

A new secondary school for Alfred Road Cobblebank.

Kolorer Secondary College opened at the beginning of Term 1 in 2026.

The school has a capacity for up to 865 students, including 65 places designated for students with disabilities.

The precinct is intended to accommodate increasing enrollment demand resulting from local population growth.

The Alfred Road location will provide students with access to education within their community.

Term 1, 2026, the school will feature:

- a double-storey building containing administration areas and a library
- a learning neighbourhood
- a three-storey building with specialist spaces for technology, science, and the arts
- two outdoor hardcourts
- a bus loop and staff parking

By Term 2, 2026, planned additions include:

- a community hub with an indoor multi-use court
- toilets and change rooms
- a fitness room
- specialist learning areas for music and drama
- specialist facilities for food technology
- a canteen
- a sports field
