The Metropolitan Activity Centre on Bridge Road is considered the highlight of Cobblebank.

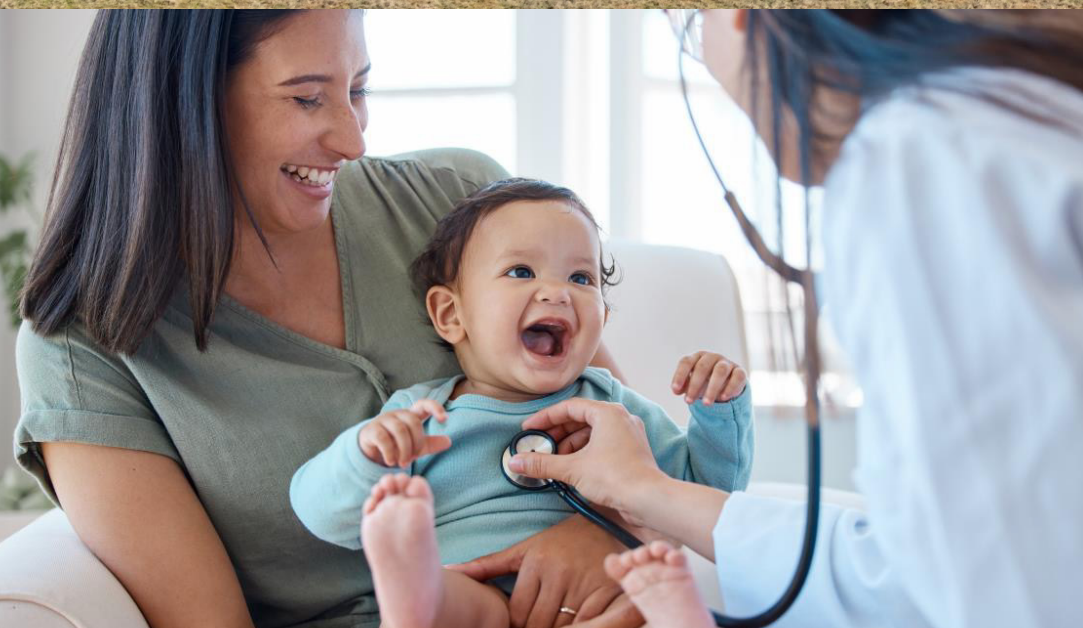

As construction progresses, the local community has expressed interest in observing the development of the New Melton Hospital.

Upon completion, Melton Hospital is expected to serve as the primary healthcare facility for Melbourne's north western region.

The Melton Hospital will include a 24-hour emergency department, at least 274 beds, an intensive care unit, maternity and neonatal services, mental health services, radiology services and ambulatory care.

Once completed, Melton Hospital will have the capacity to treat 130,000 patients each year and see almost 60,000 patients in the emergency department.

COBBLEBANK EDUCATION

KOLORER SECONDARY COLLEGE COBBLEBANK

A new secondary school is being constructed in Alfred Road Cobblebank.

Kolorer Secondary College is scheduled to open at the beginning of Term 1 in 2026.

The school has a capacity for up to 865 students, including 65 places designated for students with disabilities.

The precinct is intended to accommodate increasing enrollment demand resulting from local population growth.

The Alfred Road location will provide students with access to education within their community.

Upon opening in Term 1, 2026, the school will feature:

- a double-storey building containing administration areas and a library
- a learning neighbourhood
- a three-storey building with specialist spaces for technology, science, and the arts
- two outdoor hardcourts
- a bus loop and staff parking

By Term 2, 2026, planned additions include:

- a community hub with an indoor multi-use court
- toilets and change rooms
- a fitness room
- specialist learning areas for music and drama
- specialist facilities for food technology
- a canteen
- a sports field
